

MODELLO SETTE

CEILING LIGHT

\$ 13,700

The Modello Sette ceiling light plays with the idea of vertical sloping lines, emphasized by the main frame with tapered ends and smaller details such as the slanted canopy. The methodically placed shades fitted with our Murano glass, harmoniously balance the piece. Shown with the frame in the bronzo nuvolato finish and the shades in polished brass with our signature Murano bubble glass.

CUSTOMIZATION OPTIONS

Each fixture is hand crafted in Italy and can be customized in size, layout and number of shades. Available in any of our 12 finishes and can be fitted with any of our Murano glasses.
