

TONDO

FLUSH MOUNT

\$ 2,400

The Tondo flush mount was designed to elevate smaller and low clearance spaces with its 5" drop. The concave bevel holding the convex Murano glass shade and its offset stance make it a highly sculptural piece despite its size. Shown in our Bronzo Ottone finish with Murano Bubble glass. Price starting at \$2,400.00 for the stock model in polished or satin brass. See the Tondo Grande for the larger 18" version.
